

UK Ashes 2019

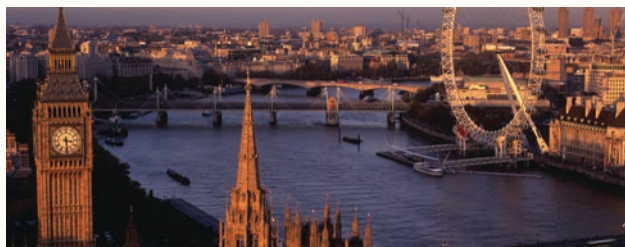

Independent Travel Packages

Welcome to the Cricket Australia Travel Office's (CATO) travel program for the UK Ashes 2019.

The team at CATO has spent a great deal of time putting together what we believe is a fantastic range of packages for anyone wanting to travel to the UK to support our boys. These independent travel packages include all of the arrangements for you to attend your selected Ashes Test Match, while providing you with the flexibility to create your own extended travel itinerary.

Each Independent Travel Package includes:

- Guaranteed reserved seat for your selected Test Match (see important notes on page 2)
- 6 nights' accommodation, including English breakfast daily
- Official CATO Function on the eve of Day 1
- Official Souvenir Merchandise
- Test Transport Pass
- CATO staff assistance throughout

Here's a snap-shot of what to expect from your official CATO Ashes experience:

Official Guaranteed Match Tickets

Cricket Australia has secured guaranteed tickets for CATO travellers at all Test Match venues. At the 2015 Ashes Series in the UK there was hardly a spare seat at any venue, so it is vitally important for Australian supporters to secure guaranteed tickets through the official CATO travel program. Be wary of unauthorized ticket on sellers and/or scalpers.

Comprehensive range of quality hotels

A range of hotels are available in all Test Match cities. All hotels have been individually inspected by CATO staff.

Official Ashes CATO Functions in all cities

Late afternoon/early evening prior to day one of each Test, CATO will host an official match preview function featuring former cricketing greats, current players and/or Cricket Australia team management. These functions will be an opportunity to join fellow CATO travellers and hear the latest insights into the contest that will unfold over the next few days. In keeping with the prominence of the Lord's Test, the Ashes function will be a sit down three course dinner staged in the ballroom of the fabulous Park Plaza Westminster Hotel. For all other Tests, the function will be a cocktail style affair including finger food and beverages, with plenty of seats for those guests not wishing to stand.

Official Souvenir Merchandise

All CATO travellers will receive quality, official ASICS team merchandise, including two polos, a jacket and cap. One set of official ASICS team merchandise is provided per person, not per tour or travel package.

Test Transport Pass

Independent Travel Packages include a Test Transport Pass which takes in each day of the match. In London, this is a 7-day Travelcard incorporating Zones 1-2 of the public transport system. In Birmingham, Leeds and Manchester, this will be either a public transport pass or venue shuttle pass, depending on the city and arrangements in place for the Test. All travellers are responsible for making their own way to/from the transport departure points in each city.

CATO staff on location / 24 hour assistance

Experienced personnel will be on location throughout the UK Ashes 2019 to assist all CATO participants. A centralised hospitality desk will be established in each Test city and our staff will be on location at CATO hotels to assist with function transfers where applicable. Additionally, all CATO travellers will be provided with a 24 hour emergency contact while they are travelling throughout the UK, to address any unforeseen issues that might occur.
